Changes to the way our app works
Fresh New Look for Eziway Salary Packaging!
We are introducing a fresh new design for both your desktop and mobile portal.

With a modern, streamlined interface and powerful new features, managing your account has never been easier. Here's what's new:

- Web-Based App – Available for download directly from our login page
- Button-Based Navigation – Intuitive and user-friendly, making it easy to find what you need quickly
- Account Overview – Access all your package information effortlessly in one location
- Simplified Card Management – Activate, cancel, or replace your card in seconds
- Novated Lease Visibility – Keep track of your lease details and balances at a glance
- Quick Contact – Need assistance? Reach out easily right from your dashboard

Our fresh new look will launch in Spring 2025! Look out for communications in your app for upcoming details

Frequently asked questions:

Q: How do I download the web-based app?
A: Using your web browser, go to eziway.net.au, click log-in and select the option to 'install app'

Q: What browser do I need to use for the web-based App?
A: Safari or Chrome

Q: I already have the App Store version. Do I need to download the web-based App?
A: Yes, to keep up to date with all the latest features, the web-based App is required

Q: What happens if I don't download the web-based App?
A: You will be prompted on the App Store and within the current version to download the new web-based App
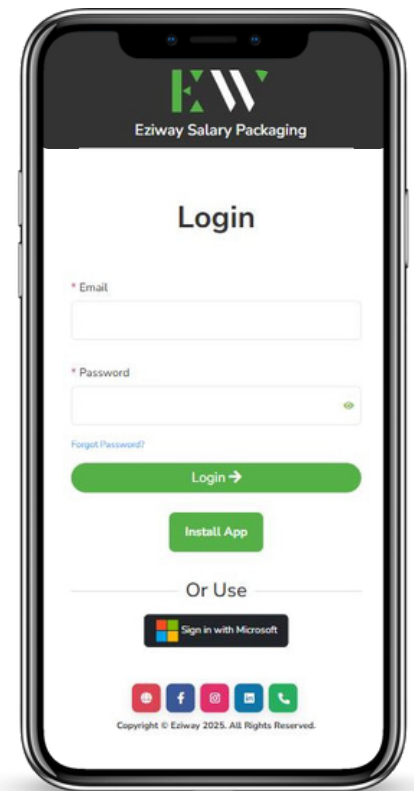

Q: Do I need to create a new account?
A: No, you can use your 'MyEziwayAccount' App log-in details

Q: When will the new app be available?
A: Eziway will launch the new download in Spring 2025

Q: What will happen to the App Store Version?
A: The App Store version will redirect you to downloading the web-based app
