Visit our website to download the Eziway App.

On the homepage, select the 'Cards Tab' to navigate easily.

Keep Track of Your Card Balance

You can monitor your card balance through the Eziway app, which displays real-time balances for each benefit account associated with your card. This allows you to check your available balances or confirm your payments anytime, day or night. Alternatively, you can log into your Employee portal online to view your balances there.

The card is usually sent out a few days after the order is placed. Please keep in mind that if the order is made over a weekend or during a public holiday, this timeframe may vary. Once dispatched, the card typically takes between 10 to 12 business days to reach you.
